

University of Wyoming

GRADUATE ASSISTANTSHIP FALL 2006

The Chemistry Department at UW seeks applications from students wishing to pursue M.S. or Ph.D. degrees in any area of Chemistry. A well-funded, dynamic and collegial department and close proximity to a variety of cultural and recreational opportunities (2 hr to Denver and Colorado ski resorts and 10 min to the Medicine Bow National Forest) provide an excellent atmosphere for graduate research and education. Stipends are competitive. Supplemental awards are available. For full consideration, submit applications by Jan. 15. For information contact: Prof. Dave Anderson, email: chemistry@uwyo.edu
