

ACS Energy Letters Author Checklist

Before submitting your manuscript, please check the following:

Author List:

- All Coauthors are listed and correct e-mail addresses provided. (Remember to enter the first and last names in Paragon the same way as in the manuscript.)

Manuscript Title

- The manuscript title is written in title case.
- Uncommon acronyms and words like “First”, “Novel”, “Facile”, “Highly Efficient” or “One-Pot” are avoided.

Abstract

- Abstract should not exceed 150 words for Letters and two sentences for Energy Express.
- Reference citations should be avoided.
- Abbreviations and acronyms, if any, are defined upon first usage.

Table of Contents Graphic

- A "Table of Contents" (TOC) graphic is provided after the Abstract under the header “TOC Graphic.” The TOC graphic should be an illustration that best describes your overall work rather than a figure copied and pasted from the manuscript is provided. The TOC graphic should be original and not contain any copyright-protected components. Final image size is 2 in high x 3 in wide (5 cm x 7.5 cm).

Main Text

- Section headers omitted.

References

- References are individually numbered with only one citation per reference.
- References adhere to correct journal style: include article titles (preferably in title case), journal abbreviation according to CASSI, proper punctuation and arrangement, and full page ranges.

Graphics and Tables

- Figures and tables have captions. Figure insets, if any, are described in the caption.
- Graphs include axes titles clearly identifying the variable and unit.
- Tables and schemes have titles and may contain footnotes.
- Figures and tables are submitted at final published size.
- Lettering and scale bar dimensions are legible when graphic is viewed published size.

Supporting Information

- Supporting Information (SI) for Publication and SI for Review Only, if any, are uploaded as separate files and not placed directly in the manuscript.
- SI for Publication is described in a separate paragraph in the manuscript, placed immediately after Acknowledgments using the following template:

Supporting Information Available: <Brief statement in nonsentence format listing the contents of the material supplied as Supporting Information>

Notes

- Include conflict of interest information, if any.

Acknowledgment

- Include the name of the funding agency.

(See the ACS Energy Letters [Information for Authors](#) for more manuscript submission details.)
